Dear sisters, parents, families and friends,

The beauty of giving, the beauty of our past, the promise of our future, the beauty of our sisterhood: these words come to mind when I think of the importance of you, our donors, and Phi Mu Foundation.

In this annual report, we reflect on the achievements of the past year and thank you for making them happen. We honor and recognize you for your gifts, which help provide training that nurtures and empowers our collegiate leaders. Your gifts provide hope that enables members in need to overcome adversity. Your gifts enable sisters to complete their education, opening doors to their futures. Your gifts help us preserve and honor our rich history and tell our story to future generations of Phi Mus.

It is an exciting time at Phi Mu Foundation. We have an energized staff led by our Executive Director, Julie Cain Burkhard, and an accomplished Board of Trustees. The Foundation has completed a strategic plan that charts a course where we will work hand-in-hand with the Fraternity to meet their needs and those of our members. We have reviewed our vendor relationships and made changes to our business processes to ensure your dollars are spent wisely. Our finances

are sound, and our endowments have been invested carefully.

Our fundraising has reached new and existing donors, including our collegians. Our largest annual appeal, M3, brought in a record number of dollars, with the highest number of 100% collegiate chapter participation ever!

Most importantly, we are putting your donated dollars to use making an impact in the lives of Phi Mu members. The Foundation recently awarded \$230,000 in scholarships to graduate and undergraduate Phi Mus. We have provided \$223,000 to the Fraternity for leadership and educational opportunities for members and officers. The Foundation is currently making plans to improve our Philomathean Room at the Cannonball House in the city of our founding, Macon, Georgia. And most importantly, we are providing substantial aid to our sisters facing life-changing challenges.

Our future is bright; our future is beautiful. You, our donors, with the beauty of your gifts, make dreams happen. Thank you.

Yours in Our Bond,
**Diane Hawkins Eggert, Zeta Iota
President, Phi Mu Foundation**

Dear donor,

Over the past year, I can't count the number of times I have made the statement, "There has never been a better time to be a Phi Mu!" So many exciting things are happening in our Fraternity. We are experiencing unprecedented growth in our collegiate membership ending the 2012-2013 academic year with over 12,000 undergraduate members. Contributing to this growth is the success of our collegiate extension efforts. We reestablished our Alpha Beta Chapter at the University of Arkansas, colonized at Florida Gulf Coast University and for the first time in over 30 years, Phi Mu established a chapter on the West Coast at California State University-Northridge. This trend will continue with seven new colonies planned for the upcoming academic year.

Meeting the needs of our members through educational programming remains the priority of the Phi Mu National Council. From training our collegiate and alumnae officers at Regional Officer Trainings to providing premier leadership development training for over 240 collegian members at the Phi Mu Undergraduate Interfraternity Institute (Phi Mu UIFI), we provide the tools our members need to be successful leaders. Phi Mu for a lifetime begins with our new online Phi program, enhanced chapter development programs and alumnae engagement events across the country. Exciting plans are also in development as a result of the comprehensive strategic plan developed for the Fraternity and Foundation.

As I reflect on the last year, I am very grateful to our faithful donors who make growth and opportunities possible for Phi Mu. Your gifts enable our members to make a positive impact on their chapters and communities and develop as women. The core values of Phi Mu are as relevant today as they were in 1852. Your gifts make it possible to help Phi Mus across the country. Indeed, there has never been a better time to be a Phi Mu!

Yours in Our Bond,

Kris Bridges, Delta Nu

Phi Mu National President and Phi Mu

Foundation Chairman of the Board

the beauty of sisters helping sisters

Phi Mu Foundation is an important source of funding for the programs and initiatives of Phi Mu Fraternity. In addition to supporting a five member staff at Phi Mu Headquarters, the need for funding falls into four primary areas: leadership programs, academic scholarships, member assistance and historic preservation.

Leadership programs for collegiate and alumnae members have been a significant priority of Phi Mu Fraternity's National Council. Programs such as the Phi Mu Undergraduate Interfraternity Institute (Phi Mu UIFI) and Phi Mu IMPACT have reached hundreds of current and emerging leaders from collegiate chapters. Officer Training and the Adviser and House Corporation Forum have allowed for the gathering of alumnae volunteer officers to learn, discuss and fine tune their leadership roles.

Academic excellence is reached by hundreds of undergraduate and graduate students as a result of scholarship assistance that Phi Mu Foundation provides every year. Thanks to the desire of donors over the course of many years, the Foundation awards scholarships from \$250 to \$5,000 to deserving Phi Mu

students. Emergency scholarship assistance is also available to members of Phi Mu throughout the academic year.

Past Phi Mu Foundation President Leona Hughes Hughes, Delta Delta, recognized the unexpected financial needs that women have in life. Thanks to her giving spirit and her desire to help her Phi Mu sisters, the Leona Hughes Hughes Heart and Hand Fund was established. Through an application process, members can apply for financial assistance. Unexpected medical bills and the devastating outcome of natural disasters are the primary reasons for financial assistance.

Historic preservation has always been a focus of Phi Mu Foundation. The museum at National Headquarters, funded by the Foundation, houses many of the artifacts of Phi Mu's history. The Foundation also financially supports the Philomathean Room at the historic Cannonball House in Macon, Georgia.

Phi Mu Foundation is proud of the work being accomplished in all four areas due to the generous and consistent giving of Phi Mu donors and friends each year.

Going into Phi Mu UIFI, I expected to learn about how to be a leader in my chapter, but I took away SO much more than that from this experience. I not only learned about how to be an effective leader, but I also gained the courage and confidence to challenge myself and my sisters to make positive changes to better our chapter and Greek community. I will carry the knowledge and friendships I gained at Phi Mu UIFI with me forever."

Katie Houston, Alpha Iota

Phi Mu Foundation's mission is to promote

the lifetime development of women. Members of all ages are united by common shared values and a determination to positively impact others. Phi Mu women are leaders—leaders in their communities, leaders on their campuses, and leaders in philanthropic service. Premier training focused on individual development of life-skills and values-based leadership is provided to current and emerging leaders. This investment in our members begins as a collegian but does not end after graduation. Over 300 alumnae national and area officers, advisers, and house corporation volunteers are given opportunities each year to further develop their leadership skills and to empower themselves as women and as volunteers.

Phi Mu Foundation supports the Fraternity's leadership endeavors by awarding grants each year that directly benefit and enrich the lives of Phi Mu collegiate and alumnae members.

Grants awarded during the 2012-2013 Fiscal Year

- Chapter Consultant Program – \$50,000
- National and Area Officers' Retreat – \$23,000
- Adviser and House Corporation Forum – \$22,000
- Phi Mu UIFI – \$125,000

Leadership Programs Funded by Phi Mu Foundation

Chapter Consultant Program – Chapter consultants provide critical, front-line Fraternity support to collegiate chapters. Consultants travel to collegiate chapters nationwide to provide leadership and problem-solving education to chapter officers and advisers. During the 2012-2013 academic year, the Foundation helped fund 13 chapter consultants. Several consultants played an integral role in the colonization of Phi Mu's newest chapters.

National and Area Officers' Retreat – Phi Mu Foundation is committed to the development of alumnae volunteers.

leadership

Through a grant, the Foundation assists the Fraternity in funding an annual retreat held at Headquarters for National and Area Officers focused on leadership training, idea sharing and goal setting.

Adviser and House Corporation Forum – To further develop alumnae in their volunteer roles, the Foundation helps fund a forum held every two years at Headquarters. This program focuses on providing resources and training specific to the needs of chapter advisers and house corporation officers.

Phi Mu UIFI – Phi Mu Fraternity partnered with the North-American Interfraternity Conference (NIC) to provide the first organization-specific Undergraduate Interfraternity Institute (UIFI), a premier leadership

development experience. The Foundation helps fund the program as well as awards individual chapter grants to support the attendance of two emerging Phi Mu leaders from each collegiate chapter. *Phi Mu UIFI was held in June 2013.*

Phi Mu IMPACT – A North-American Interfraternity Conference (NIC) program, IMPACT is an institute that helps collegians recognize the current realities of their chapter and develops strategies for positive change. Phi Mu Foundation funds a grant supporting the attendance of two members from each collegiate chapter to Phi Mu IMPACT. *Phi Mu IMPACT was held prior to National Convention in 2012.*

Scholarship

Excellence in academics is a deeply-rooted value of Phi Mu Fraternity and Foundation. Since the first \$100 scholarship awarded in 1958, the Foundation continues to offer scholarship opportunities that help members achieve their educational goals. With rising tuition fees and overwhelming educational expenses, the Foundation's ability to provide sisters with scholarship opportunities is more important now

than ever. Either through endowed scholarship funds or generous one-time restricted gifts, donors are positively impacting the lives of Phi Mu sisters who are committed to academic excellence.

Phi Mu Foundation awarded 111 academic scholarships totaling \$230,000 to 31 alumnae and 80 collegians for the 2012-2013 academic year.

Scholarship Charm – Phi Mu Foundation acknowledges academic excellence of collegiate members through the Ada Martin Henry Scholarship Charm Program. This program recognizes collegians who achieve their first 4.0 during any semester of undergraduate study with a silver charm. Over 600 scholarship charms were awarded during the 2012-2013 academic year.

When we were initiated we pledged to uphold the values and beliefs of Phi Mu and receiving a scholarship means that somewhere a sister saw that I was doing my best to do just that. It also makes me want to give back to my chapter even more and makes all the hard work worthwhile.

member assistance

The first line of Phi Mu's Creed, "To lend to those less fortunate a helping hand" binds all sisters together in Phi Mu's shared charitable and philanthropic values. Because of the generosity of our donors and the desire of members to help our sisters in need, Phi Mu Foundation is able to provide financial support to sisters experiencing financial distress as a result of tragedy and life-altering circumstances. The Foundation also offers emergency scholarships to eligible collegiate and alumnae members.

The Leona Hughes Heart and Hand Fund exists to assist Phi Mu members, both collegians

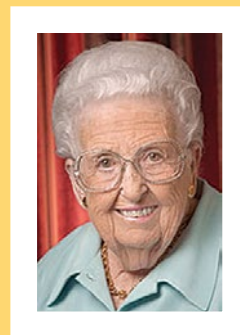

and alumnae, in times of significant financial need. Members who experience financial turmoil resulting from natural disasters, medical emergencies, or other severe personal or family problems are eligible to receive assistance grants.

The Betty Wilkinson Emergency Scholarship Fund is available for members affected by catastrophic situations such as illness, death, divorce, natural disaster, etc. This fund provides financial assistance to collegians and alumnae for education purposes only.

“To lend to those less fortunate a helping hand.” — Phi Mu Creed

Leona Hughes Hughes, *Delta Delta*, will be forever cherished by all who had the great pleasure of knowing her. She is remembered for her energizing spirit, abundant generosity, compassionate nature, and most of all, her love of Phi Mu. Her memory continues to inspire sisters of all generations “to minister to the needy and unfortunate” through gifts of time and treasure—both gifts Leona gave to Phi Mu Foundation for over 25 years. She served with poised leadership on the Board of Trustees for 16 years, retiring as Phi Mu Foundation’s President in 1986. During this time, Leona and her husband, Lewis, urged others to give by offering challenge gifts. In 2000, she became the first Phi Mu alumna in the Foundation’s history to receive the distinguished Fleur de Lis award for reaching the \$250,000 cumulative level of giving. For her outstanding dedication and service, Leona was named the Foundation’s first Trustee Emerita. Phi Mu mourned the loss of Leona Hughes Hughes in 2008, but her legacy continues through the Leona Hughes Hughes Heart and Hand Fund. Dozens of collegians and alumnae are assisted each year by her Fund and the faithful donors who give to the Foundation to support member assistance. Leona was a loyal and faithful sister, who truly lived by the line of Phi Mu’s Creed, “To lend to those less fortunate a helping hand.”

Leona Hughes

Betty Wilkinson, *Alpha Lambda*, is an extraordinary woman with an extraordinary heart. A true Phi Mu treasure, Betty has generously and faithfully supported Phi Mu Foundation for over 20 years. Her gifts have benefited Phi Mu Foundation and directly impacted Phi Mu sisters through leadership, scholarship, and member assistance. With a generous gift of \$100,000 made to the Foundation in 1996, The Betty Wilkinson Lecture Series Fund, the Betty Wilkinson Scholarship Fund, and the Betty Wilkinson Emergency Scholarship Fund were established and continue to award funds each year. Because of her generosity, the Foundation was able to present valuable programming at National Conventions that otherwise would not have been possible. Dozens of sisters have received academic scholarships and financial assistance to help pay for educational expenses when they were affected by life-changing circumstances. Peggy King, *Alpha Eta*, had the great pleasure of recognizing Betty for reaching the \$100,000 level of giving to the Foundation by awarding Betty with the Florine Stevens Badge. Peggy shared, “Betty was thrilled to receive her Florine Stevens Badge upon reaching an exceptional level of giving to the Foundation. When I thanked her for her contributions and told her she had reached our pinnacle of giving, she laughed and said she would start over! Betty treats everyone she meets with such kindness and warmth. She is a true Phi Mu in every way.”

The Foundation awarded 11 Leona Hughes Hughes Heart and Hand Fund grants totaling \$22,500 during the 2012-2013 fiscal year.

historic preservation

Phi Mu Fraternity represents the visionary thinking of three women who shared their desire to recognize and celebrate academic excellence, service to others and friendship. It is these three women, Mary, Mary and Martha, who planted the seeds of fraternal sisterhood. Phi Mu Foundation preserves the memory of these women through the funding of historic preservation.

Established with a bequest from the estate of Grace Volk, Psi, the Grace Volk Historic Preservation Fund is the source for funding of all projects related to the archives, the museum and the Philomathean Room. The Heritage Museum at National Headquarters is the location to catalog, store and display hundreds of items from the 161 years of Phi Mu history. The Philomathean Room depicts an accurate representation of life in the early 1800s when the Founders of Phi Mu gathered to enjoy literature, music and the early bonds of sisterhood. Items in the room are owned by Phi Mu, and the funding for the rooms' artifacts, décor and furniture are provided by the Foundation.

(From left to right) Philomathean Room at the Cannonball House in Macon, Ga. The Heritage Museum at National Headquarters. Rho Chapter, Hanover College, celebrated one hundred years of sisterhood in 2013. In recognition of this historic milestone, Rho Chapter contributed \$10,000 to Phi Mu Foundation and designated the gift for the Philomathean Room. This generous gift will help Phi Mu Foundation continue to preserve the history of Phi Mu Fraternity that is housed in the Philomathean Room. Our many thanks to Rho Chapter and Rho Chapter House Corporation for their generous contribution.

Donor recognition

The generosity of the members of Phi Mu and friends of Phi Mu knows no bounds. From the establishment of the Phi Mu Foundation in 1957, women have given so that others can grow, achieve and succeed. From a donor's first gift, no matter the amount, Phi Mu Foundation recognizes the importance of that single act of giving. Thousands of donors have given hundreds of thousands of dollars to established funds, annual appeals, and special campaigns.

Cumulative giving is the basis for which Phi Mu Foundation grows. The levels of giving represent the ongoing commitment of donors who consistently prioritize Phi Mu. In a time when philanthropic dollars are stretched with so many needs, loyal donors to Phi Mu Foundation continue to give.

Phi Mu Foundation recognizes the thousands of members and friends who have contributed and said "yes" to always being an organization of sisters helping sisters.

I live by a basic philosophy that I have no right to complain unless I am willing to step up, make a contribution and make a change. Phi Mu is dedicated to putting leadership training in the forefront where it should be and I am so proud of the leadership opportunities available to women across the country. Phi Mu is educating and training leaders each year through programs like Phi Mu UIF and others. Sisters are being trained with invaluable leadership skills that will make this world a better place. I give to Phi Mu Foundation because I believe in our sisterhood and I want to invest in its future and the future of our members.

donor recognition by chapter

I give to Phi Mu Foundation for the same reason that I serve as a chapter adviser—simply stated, I believe in this organization and I want to do everything in my power to ensure that it is around for my daughter when she grows up. I want her to live in a world where Greek organizations are thriving. I want her to have the chance to experience sisterhood, leadership, support, and love the way I experienced it—the way I still experience it today.

friends, parents, business partners and matching gifts

When my daughter Kelsey joined Phi Mu, I could see right away that she had found an amazing group of young women to be there for her, no matter what the circumstances. I knew that her affiliation with Phi Mu would be a lifelong investment in her future. The \$50.00 donation her father and I made for her to be a member of the Phi Mu Foundation was simply our way of saying, "we know this is a great place for our daughter and her future!"

PHILOMATHEAN

Cathy Sessums,
Kappa Epsilon

Members listed reflect giving to the Foundation as of June 30, 2013. Every effort has been made to provide accurate information; however, errors may occur. If a donor's name has been omitted, misspelled or listed incorrectly please contact the Foundation office at 770.632.2120 to update records.

giving programs

Phi Mu Foundation's loyal giving program members are an inspiration to all Phi Mu sisters. These dedicated and generous donors make an annual commitment in unrestricted gifts for one reason – the love of our sisterhood. A critical component of support to the Annual Fund, the four giving programs continue to grow and provide consistent support to the Foundation. In April of 2013, a new giving program, Rose & White, was introduced with 20 founding members. Many thanks to each giving program member for your steadfast devotion and generous gifts in support of generations of Phi Mu women.

1852 SOCIETY

Sisters who support Phi Mu programs at the highest level are members of the 1852 Society. In honor of our heritage, membership requires an annual commitment of at least \$1,852 (\$155 monthly) in unrestricted funds.

MARGUERITE BALLARD

“To keep forever sacred the memory of those we have loved and lost...”

A special tribute to Phi Mu's beloved, Marguerite Kelso Ballard, Phi, who served Phi Mu Foundation as Treasurer from 1988-1992 and President from 1992-1996. After completing her term as President, she continued to volunteer for Phi Mu Foundation as the 1852 Society Chairman. She encouraged many Phi Mus to stay involved or get involved with our sisterhood by giving their time, talent and treasure. She will be remembered by all for her caring, helpful and genuine personality – a truly great Phi Mu lady. Phi Mu Foundation memorializes Marquerite Ballard for her years of service and generous contributions. Her legacy lives on through Phi Mu Foundation's donors and the positive impact donor contributions make to Phi Mu sisters each year.

literary society

The Augusta Evans Wilson Literary Society was established to honor the founding of Phi Mu Fraternity as a literary society for women at Wesleyan Female College. Augusta Jane Evans Wilson was an early Philomathean, the literary society name used prior to the adoption of the Greek letter name, Phi Mu. Ms. Wilson was one of the most widely read authors of the 19th century. Her book, *St. Elmo*, published in 1866, was considered the *Gone with the Wind* of the time.

To honor Ms. Wilson and the values of the members of the Philomathean Society, the Augusta Evans Wilson Literary Society was established to recognize members of Phi Mu who are published authors or coauthors of fiction and nonfiction books. Phi Mu authors' names and their books are on display in the Library at National Headquarters.

fidelity society

The Fidelity Society, established in 1992, recognizes those individuals who have provided for the future of Phi Mu by making Phi Mu Foundation a beneficiary through a will, trust or insurance policy. These faithful donors, who remember Phi Mu Foundation through a planned gift, leave a lasting legacy - one that will continue to support Phi Mu Foundation for future generations.

HELEN F. SHEAHAN

A long-time resident of San Francisco, California, who served the City and County of San Francisco in the Assessor's Office for 20 years, Helen F. Sheahan, Eta Alpha, passed away on January 24, 2011.

Helen was a member of Fidelity Society and remembered Phi Mu Foundation through a bequest of \$125,000. This gracious gift will help secure meaningful and rewarding Phi Mu experiences, much like Helen's, to women for generations to come.

MARGARET G. EVANS

Phi Mu Foundation recognizes a faithful and beloved Fidelity Society member, Margaret G. Evans, Psi, who passed away in 2011. It is with great appreciation and sisterly love we acknowledge Margaret's final gift, a charitable remainder trust of \$105,000 made to Phi Mu Foundation.

2013 M3 results

During our founding month of March, Phi Mu celebrates three devoted women who established a legacy of friendship, giving, and serving others more than 160 years ago.

In honor of our Founders, Phi Mu Foundation's largest Annual Fund campaign, M3, is held each March.

Through the M3 Campaign, members of collegiate chapters and alumnae chapters recognize the importance of giving their time and treasure not only to Phi Mu's national philanthropy, Children's Miracle Network Hospitals, but to Phi Mu Foundation. For 31 days in March, collegians and alumnae are encouraged to contribute at least \$18.52 to M3 to support Phi Mu and its members.

Each collegiate chapter's membership is encouraged to reach 100% participation. Collegiate chapters with 100% participation received a custom-designed pink M3 Comfort Colors tank top for each member. Alumnae and individual collegians who donated \$100 or more also received a tank top.

The 2013 M3 Campaign raised over \$181,000 for Phi Mu Foundation. It is the third year of the campaign and the most successful to date!

This year, the Lambda Epsilon Chapter at Christopher Newport University in Newport News, Virginia, made the largest contribution to the M3 Campaign. The sisters and alumnae of Lambda Epsilon donated nearly \$8,000 to M3. In addition to the chapter's 100% participation, chapter sisters hosted an annual Greek auction fundraiser and donated all proceeds to M3.
