

M3 CAMPAIGN

Support of Phi Mu Foundation's Annual Fund ensures the Foundation can maintain healthy operations, while also investing in scholarships and leadership programs, emergency assistance for members in their greatest time of need, and the preservation of our Fraternity's history. Our largest Annual Fund campaign is the M3 Campaign, held annually in the month of March as a tribute to our founding month. Through donor support of campaigns like the M3 Campaign, we are able to invest in resources for growth and sustainability and support some of Phi Mu's greatest needs.
