

Once you've collected your chapter's donation to the M3 Campaign, what should you do now?

1. Fill out the M3 Donation to Phi Mu Foundation form on Officer Portal.

This will account for your participation in the campaign and help us determine immediately which chapters are participating at 100%. We'll use this information to update our website and social media to help promote the chapters who are participating.

2. Submit your contribution one of three ways:

1. Send in ONE check on behalf of the chapter to Phi Mu Foundation
2. Make your contribution by using Billhighway online bill pay
3. Make your contribution at www.phimufoundation.org/give using your Billhighway card (as long as the donation is within your card limits.)

Please put "M3 Campaign Donation" in the memo of your check or in the comments of your online donation.

Frequently Asked Questions

How can my chapter become eligible for the free Phi Mu Foundation T-shirt?

In order for your chapter to receive the free Phi Mu Foundation T-shirts, each chapter member must fundraise and/or contribute \$18.52 or more to Phi Mu Foundation during the month of March. The chapter with the largest overall contribution to the M3 Campaign will also be honored with a special visit on their campus by the Phi Mu Fraternity National President and Phi Mu Foundation Chairman of the Board and Phi Mu Foundation President.

After your contribution is received, Foundation staff will reach out to you for your chapter's T-shirt sizes and shipping address. Once all of that information has been confirmed, we will begin printing your shirt order.

Do ICMS members count toward 100% participation?

No, you do not have to collect a contribution from your ICMS members in order for your chapter to qualify for 100% participation. That is completely optional.

Do new members count toward 100% participation?

Yes, collegiate chapters are encouraged to take the 100% participation challenge, meaning each active chapter member gives \$18.52 or more.

When can I send in my chapter's contribution to the M3 Campaign?

As soon as you have your chapters 100% participation collected, go ahead and send it in. All contributions must be received/postmarked by March 31, 2022 to receive the limited edition shirts.

Other questions?

If you have more questions about your chapter's participation in the M3 Campaign, please contact Leinin Schuerr at lschuerr@phimu.org.
