SCHOLARSHIP BREAKDOWN

Merit-Based Scholarships vs. Need-Based Scholarships

Merit-based scholarships are awarded by evaluating your academic criteria alone. No financial information is considered when determining merit-based scholarship recipients. Applicants will complete one application and automatically be considered for all merit-based scholarships for which they are eligible.

Need-based scholarships are awarded by evaluating your overall financial need. This is done based on a series of questions related to your current financial situation.

Eligible undergraduate applicants who wish to be considered for need-based scholarships must provide all information requested in the "Need-Based Scholarship" section of the application. Failure to provide any requested information will result in automatic disqualification for need-based scholarships.

1. Submit your FAFSA online (available at www.fafsa.ed.gov) as soon as possible.
2. After your FAFSA is competed and processed, a Student Aid Report (SAR) will be generated and emailed to you within 7-10 business days.
3. Upload your SAR as a PDF. Phi Mu Foundation can only accept a full, official Student Aid Report in PDF format; we will not accept the SAR Acknowledgment.
4. Enter the Expected Family Contribution exactly as it states on your SAR. Any discrepancies may result in ineligibility.
5. Enter the cost of attendance for your current university/college as reported on the government's College Navigator Website at www.nces.ed.gov/collegenavigator.
6. Please list any scholarships and grants (NOT student loans) you anticipate receiving for the 2022-2024 academic year. Please include government, private, and university/college-based financial aid.

You may only apply as a need-based applicant OR a merit-based applicant. Only one application will be accepted.

HOW TO COMPLETE EACH SECTION

Q: At the time of completing this application, please indicate if you are a Phi Mu collegian or alumna member?
A collegian is a member of a collegiate chapter. If you are currently an active member of a collegiate chapter, you will fill out the collegiate application, regardless of your enrollment status (undergraduate or graduate student). An alumna is a member who is graduated or has withdrawn from school.

Q: I am applying as a/an:
You may choose between undergraduate applicant or graduate applicant. If you a current Phi Mu collegian but are about to graduate and have already or in the process of applying to graduate programs, please select Graduate Applicant. Below are further definitions of each applicant type:

Undergraduate applicants are defined as:
- Students who are currently enrolled in an undergraduate program at an accredited college or university and will remain enrolled in an undergraduate program for the entire 2024-2025 academic year.

Graduate applicants are defined as:
- Students who are currently enrolled in a graduate program and will remain enrolled for all or part of the 2024-2025 academic year.
- Students who have applied (or anticipate applying) for admission to a graduate program to begin during the 2024-2025 academic year (proof of enrollment is required if you are selected to receive a scholarship)

Q: Are you a member of Phi Mu Foundation?
Members of Phi Mu Foundation have a cumulative lifetime giving of $50 or more. If you have questions about this status, you may reach out to the Foundation office at scholarships@phimu.org.

If your university uses a 4.0 scale to calculate GPA:
Enter your most recent cumulative GPA based on a 4.0 scale. Upload a PDF of the unofficial/official transcript that will confer/has conferred your most recent degree. The number entered as your cumulative GPA should match the GPA reflected in your unofficial transcript.

If your university does NOT use a 4.0 scale to calculate GPA:
Enter your most recent cumulative GPA based on a 4.0 scale. It is your responsibility to convert your GPA to this scale. Please make a note about the scaled GPA on your application.

Q: Graduation Date (MM/YYYY)
Indicate your anticipated graduation date from the degree program you will pursue during the 2024-2025 academic year. Seniors applying for graduate scholarships should indicate they are a graduate applicant and their anticipated graduate school graduation date.

HOW TO COMPLETE EACH SECTION

Q: Education History

Starting with the program in which you are currently enrolled, and working backward, list the most recent post-secondary educational institutions (limit 3) attended for your most recent credit hours obtained; include two-year colleges, four-year colleges/universities, vocational and professional schools.

Upload an unofficial transcript(s) for this portion of the application. You will be required to submit an official electronic copy of your most recent transcript if you are awarded a scholarship. Indicate the university/college name and month/year you began and ended your attendance. If you are currently attending an institution, enter your projected graduation date as the ending date.

Q: By answering yes to this question, you are seeking consideration for a need-based scholarship and agree to furnish a copy of the FAFSA upon request?

Phi Mu Foundation offers need-based scholarships. Applicants who apply for a need-based scholarship should be limited to those who are in dire need of financial assistance.

The Scholarship Committee will extensively review this portion of the application to determine if there is a dire financial need based heavily upon your answers to the financial questions in this application.

ALL NEED-BASED APPLICANTS ARE REQUIRED TO COMPLETE A FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID). APPLICANTS SEEKING NEEDS-BASED CONSIDERATION MUST SUBMIT A PDF OF THE STUDENT AID REPORT (SAR) DURING THE APPLICATION PROCESS. PHI MU FOUNDATION CAN ONLY ACCEPT A FULL, OFFICIAL STUDENT AID REPORT IN PDF FORMAT; WE WILL NOT BE ABLE TO ACCEPT COPIES OF THE SAR ACKNOWLEDGMENT. YOU MAY BE REQUIRED TO PROVIDE ADDITIONAL SUPPORTING DOCUMENTATION OF YOUR ANTICIPATED EXPENSES AND/OR OTHER DOCUMENTATION AS DEEMED NECESSARY BY THE SCHOLARSHIP COMMITTEE.

For questions about need-based scholarships, please contact Foundation staff at 770.632.2120 or scholarships@phimu.org.

HOW TO ANSWER THE ESSAY QUESTIONS

There are two sections of essay questions within the Phi Mu Foundation Scholarship Application: Involvement and Recognition Statements and Personal Statements. These essay questions are reviewed by the Scholarship Committee and serve as a way to better understand the experiences and needs of each applicant.

Tips for both essay portions:

Before you begin answering the essay questions, take a moment to review each question and consider your response. Here are some tips for providing well-written responses:

- *Use fewer words.* Each response has a maximum number of words. Your answers should not exceed this limit.

- *Keep it confidential.* Each scholarship application is reviewed on an anonymous basis by the Scholarship Committee. To ensure your identity is kept anonymous, DO NOT include any personal identification words while writing your essays. Words to avoid include:
  - Your first and/or last name
  - Your chapter name
  - Your school name
  - Names of chapter members or alumnae
  - Names of family members
  - Names of professors or other academic professionals
  - Names of cities or states

- *Proofread!* Type your responses in a word processing software prior to copying and pasting them into the essay fields within the application. Doing this will help you avoid spelling or grammar errors. If you feel comfortable doing so, have someone else proofread your essay responses to ensure they are well-written.

Remember: your essay questions are just as important as your academic achievements. Your essay questions should be well-written, organized, and directly address the prompt.

Involvement and Recognition Statements

While you should not include personal information, try to include descriptive information in the activity title to provide as much context as possible for those evaluating your application. For example, instead of "Exec" be more descriptive with "Phi Mu Vice President" or "University Art Club: President" or "Phi Mu Alumnae Chapter: Treasurer"

Freshmen/first-year students: You are permitted to include high school activities if you do not have any college activities yet.

If you are filling out the alumnae application, you have the option to list significant offices you held in your collegiate chapter and/or other collegiate chapter activities in which you were involved in during college. This is optional and would be considered after your alumnae experience.

HOW TO ANSWER THE ESSAY QUESTIONS

Personal Statements:

There are two essay questions in this section. You must complete both essay questions. For the first questions, you have the option to pick one of the three topics. After selecting the topic on question #1, please do your best to directly address the prompt.

Maximum word count is 300 so keep your essay organized and well-written.

RECOMMENDATIONS & WORKING WITH YOUR RECOMMENDER

Recommendations

All applicants are required to submit two recommendations from academic or professional sources.

Here are some examples of acceptable recommendation sources:
- A member of your chapter's Advisory Board (Ex: Chapter Adviser)
- Professors
- Academic Professionals
- Employers
- Managers
- Other Professional Sources

When selecting a recommender, be sure they can fully attest to your needs for scholarship assistance and provide an accurate testimony to your overall character and performance in the classroom or workplace. You may NOT use a friend, fellow chapter member or family member to complete the reference on your behalf.

Make sure to reach out to your selected recommenders before completing your application to ensure they are willing to fill out your recommendation. **They DO NOT need to write you a letter.**

Working with your Recommender

When you arrive at the recommendation portion of the scholarship application, you will be asked to enter information about your recommenders. You will be required to provide the following information:

- First Name
- Last Name
- Email

Good Grants will automatically send an email to your recommender once you submit your application. After you submit your application, contact your recommender, and inform them that they should have receive an email from Good Grants. We strongly urge you to ask your recommender to confirm that they've received that email. If they do not receive it instantly, have them check their spam folder. Email scholarships@phimu.org if they still do not receive the email.

Your recommender will be asked a series of questions through the email they receive. The recommender will be able to submit answers online using a website link unique to your application. You will not be able to view your recommender's responses.

You must submit your application for the recommendation requests to be sent. Your application will not be eligible until you have obtained both recommendations.

Above all, remain in contact with your recommenders until you receive confirmation both recommendations are submitted.
