"I would like to extend my gratitude to the donors who make Phi Mu Foundation Scholarships possible. This is a meaningful reminder of the lifelong support and sisterhood that Phi Mu offers, and your commitment to empowering women through education continues to make a difference in the lives of sisters like me. Thank you for believing in me and for investing in my future. I promise to represent our organization with integrity, compassion, and excellence, and to make you proud, just as I have always been proud to be a Phi Mu."
