

True to Phi Mu

True to Phi Mu is Phi Mu Foundation's Annual Fund Campaign focused on collegiate and alumnae chapter support. Support of Phi Mu Foundation's Annual Fund ensures the Foundation can maintain healthy operations, while also investing in scholarships and leadership programs, emergency assistance for members in their greatest time of need, and the preservation of our Fraternity's history. Through donor support of campaigns like the True to Phi Mu Campaign, we are able to invest in resources for growth and sustainability and support some of Phi Mu's greatest needs.

Chapters are organized into six brackets to make competition and recognition fair across different types and sizes of chapters. Below is a list of chapters that participated in the True to Phi Mu campaign in each bracket. The Top 5 Fundraising Chapters in each bracket are listed at the top of each bracket listing.
